Our false hope sings. Flit on, O! happy hours, we say, There's music in your flying feet, And all days shall be as this day, Only more sweet.

Come back, come back, O! happy hours. Bring back the summer time, we say, O bitter fruits! ye were fair flowers But yesterday.

Come back, O! lost, hours, we say: We watch for your returning feet, O yesterday, fair yesterday, So swift! so sweet!
